We're proud to be exhibiting at WINDPOWER 2010,
and we hope to see you there!

Be sure to visit us in booth number 6125, where we'll be showcasing this exciting new product, among others:

Clements offers a flexible line of single pole power connectors for wind turbine and tower interconnections.

WINDPOWER 2010 Conference and Exhibition is the largest annual wind conference and exhibition in the world featuring over 20,000 attendees and 1,400 exhibitors.

Each year, wind energy professionals gather at this event to learn about the latest industry developments and technologies, review new products and services in the expansive exhibit hall, and network with leading industry decision makers.

Join us for what promises to be another exciting event taking place May 23rd- 26th, 2010, in Dallas, Texas.
